

## IPG - Newsletter 99/12

### Bosnia and Herzegovina (BA)

Recently the EPO received the first issues of the BA patent gazette, starting in 1998.

These are the following document kinds:

BA-A Patent applications

BA-B Granted Patents

BA-B1 Patents rights inscribed into the registry on a basis of recognised right of former SZP until 1992-03-01.

The number format is ynnnnn (e.g. 970001) for both, application and publication numbers.

We plan to include these data from week 40/1999 onwards.
