General information

If, owing to a disability, you need special assistance, please ask your EPO contact person how you should evacuate the building in an emergency or how to get any other support required.

Report any accident-related injuries, or damage to personal property or loss thereof, to your EPO contact person.

The EPO buildings are offices. Children must be supervised by an adult at all times. That adult will be held fully responsible for those children’s actions.

Smoking is prohibited inside the EPO buildings.

* If you call the emergency services on the external number (0-)112, please call EPO Security on 2222 afterwards.
Visitor badge
On presentation of valid ID, you will be given a visitor badge. Wear it throughout your visit and return it to Security when you leave.

Security check
All visitors have to undergo a security check. There can sometimes be a queue to get through (especially in the morning or when official events are taking place), so please allow enough time for this.

Weapons (as defined under national law), explosives and other dangerous objects may not be brought onto the EPO premises.

House rules
Please note the EPO’s house rules. If you fail to observe them, you could be denied entry to – or be instructed to leave – the building. Please follow any instruction given by Security.

If you wish to take photos or to make video or audio recordings, you will need to get prior approval.
