Web Based Online Filing (CMS)

- Web based application accessible using any browser (Firefox, Internet Explorer, Chrome, Safari ...)
- Minimal installation of software required (Smart Card only)
- Software updates are done centrally
- Data and documents are stored on a network hosted by EPO
- Secure login for external users using EPO Smart Card
Smart Cards

Web based Online Filing (CMS)

- Smart cards are mandatory for everyone to access the web-based system
- Tasks/rights are defined in Account Management for every smart card holder

With regard to authorisation to sign, the same rules apply as for paper filings!

eOLF

- Smart cards are mandatory for sending
- not needed by everyone – with eOLF documents can be prepared offline

With regard to authorisation to sign, the same rules apply as for paper filings!
